WHYTE GRAVEL BIKE

Test ride this awesome bike and you will understand why it's so popular. For gravel, rough road, canal bank, touring and blue off-road bike trails, this bike can take everything in its stride. It's much more bike and much more comfort than just gravel. Watch this review on video by Guy Gestevan video - see [here](#).

Pop by the shop or email info@offbeatbikes.co.uk or call 01397 704008 to test ride one today.
